

LONG & SHORT GAME

Play 2 drives from the tee:

If you hit the fairway it counts as one shot

miss the fairway but with no serious danger it counts as two

If you hit it in trouble it counts as 3.

Don't play an iron shot!! Pick the balls up and move to the green, throw a ball in a random location around the green then finish the ball from there.

SCORING

If your accumulated score is 5 (Example 2 drives on the fairway and it takes 3 to get the ball in the hole around the green) then consider that a Par, if your score is 4 then that is a birdie, and if it is 6 it is a bogey and so on. Play 7 holes (9 holes excluding the par 3's) and count up your total score.
